Barbara Newman

Ave Regina:

Music Printing in Renaissance Venice Jane A. Bernstein,1998-10-29 Venetian music print culture of the mid sixteenth century is presented here through a study of the Scotto press one of the foremost dynastic music publishers of the Renaissance For over a century the house of Scotto played a pivotal role in the international book trade publishing in a variety of fields including philosophy medicine religion and music This book examines the mercantile activities of the firm through both a historical study which illuminates the wide world of the Venetian music printing industry and a catalog which details the music editions brought out by the firm during its most productive period A valuable reference work this book not only enhances our understanding of the socioeconomic and cultural history of Renaissance Venice it also helps to preserve our knowledge of a vast musical repertory

The ^A Flower of Paradise David J. Rothenberg,2011-10-05 In spite of their widely disparate uses Marian prayers and courtly love songs from the Middle Ages and Renaissance often show a stylistic similarity This book examines the convergence of these two styles in polyphonic music and its broader poetic artistic and devotional context from ca 1200 ca 1500
