fulfillment of the promises to Abraham that he would receive the Holy Land and an uncountable number of descendants Dalrymple also responds to some of the common assertions set forth by Christian Zionists Many might still ask Why should I care about what happens in Israel and Palestine The fact is that we must care And we must alert the Church that we must care Too much is at stake We have Christian brothers and sisters throughout the Middle East in general and in the Holy Land in particular who have been directly impacted by our theological opinions As a result the Church cannot be silent It must not be silent *LOSERS and Femme Fatales* Karen Kellock,2019-06-17 I felt enormous grief from how they treated me I saw the other side of life people evil strife A joyful heart is good medicine but the traumatized become ugly as the system spirals down suddenly They d project a bad rep on me act like they owned me proceed to kill my spirit and take my liberty Caught in projections without solution I went dead praying God would end it They had no idea who I was nor could they ever It was the Dunning Kruger effect of the unclever Cover design by Karen Kellock Inside art by Blaze Goldburst and Fox Design
