Based on the insights from hundreds of people from diverse backgrounds, cultures, and perspectives, this book focuses on eight key areas of practical spirituality that can help awaken the heart and bring greater meaning and purpose to life. Practical Spirituality for Awakening Hearts is an invaluable resource for anyone seeking deeper meaning in their lives. Embarking on a spiritual awakening journey can be overwhelming, that's why we reached out to a social media group with nearly 500,000 members and asked them what they wished they knew when starting their journey. The response was overwhelming. Hundreds of people shared their thoughts on what they would have liked to know, what advice they would give others going through the same experience, and more. From these insights, this book, Practical Spirituality for Awakening Hearts, was born. Whether you're just beginning your spiritual journey or looking for guidance along the way, this book offers practical wisdom from those who have been there. This book will take you through each category, helping you apply these concepts to your own personal journey. Discover the metaphysical aspect of yourself that may not be visible but is always present. With this newfound awareness, you'll realize that your focus, attention, and awareness are your most valuable gifts in this process of self-discovery. It's fascinating to note that even though the members of our social media group come from diverse backgrounds and hold varying religious and political beliefs, they unanimously agreed on these 8 areas. Let's dive in and explore them together.
