Awakening Of Helena Richie The:

The Awakening of Helena Richie Margaret Deland, 2010-04-27 The Awakening of Helena Richie tells the story of a new resident coming to Old Chester and discovering the moral double standard to which women are held in rural America. Excerpt: Goliath's selfishness carried them home and landed Dr Lavendar at his own fireside rather tired and full of good intentions in regard to calls. He confided these intentions to Dr William King who looked in after supper to inquire about his cold. 'Cold I haven't any cold. You can't get a job here. Sit down and give me some advice. Hand me a match first this ragamuffin Danny has gone to sleep with his head on my foot and I can't budge. The doctor produced the match. I'll advise you not to go out in such weather. Promise me you won't go out to-morrow. To-morrow. Right after breakfast, sir. To make calls on the people I've neglected. Willy, how can I find a home for an orphan child? A parson up in the mountains has asked me to see if I can place a little seven-year-old boy. The child's sister who took care of him has just died. Do you know anybody who might take him?

The Awakening of Helena Richie Margaret Deland, 2004-06 Helena sprung to her feet nervously. But I wish he wouldn't come. I don't want him to come. I can't help it, indeed. I can't help it. She spoke with a sort of gasp. Instantly David who had been lounging in the swing slipped down and planted himself directly in front of her, his arms stretched out at each side. I'll take care of you, he said protectingly.
