Awakening To The Dream The Gift Of Lucid Living:

Awakening from the Dream J.L. Harter,2014-12-23 This work represents both an ending and a beginning and that is much the way life is endings and beginnings Dreams begin and end Lives begin and end There is one thing however that has no end and that is our Consciousness Within this work I explore Life in the context of a Dream and the impact of our eventual awakening within that Dream We all carry the seeds of awakening within us and at just that right moment we will all awaken from The Dream

Awakening to the Dream Leo Hartong,2003-07-01 For centuries philosophers and theologians have pondered questions such as Who are we and What is the self Awakening to the Dream is a book about you and your true identity Awakening to the Dream is a very clear approachable overview of the enigmatic philosophy of Advaita Vedanta also known as non duality Essentially this is a book about you It points to and from the source of your true identity The clear seeing that it refers to is neither complex nor simple It is not something exclusive for intellectual or spiritual elite nor is it remote or hiding in the future It is all inclusive pure presence closer than your breath It is the heart of hearts your birthright and innermost self This is your invitation to remember what was never really forgotten
