

THE ACCIDENTAL ASIAN

Notes of a Native Speaker

ERIC LIU

"Eric Liu has written a powerful memoir, a memoir that renders the Asian American experience with a depth and a passion reminiscent of Richard Wright's *Black Boy*."

It is a major contribution to the literature that defines what it means to be an American." — HENRY LOUIS GATES, JR.

Accidental Asian Notes Of A Native Speaker:

The Accidental Asian Eric Liu, 2007-12-18 Beyond black and white native and alien lies a vast and fertile field of human experience It is here that Eric Liu former speechwriter for President Clinton and noted political commentator invites us to explore In these compellingly candid essays Liu reflects on his life as a second generation Chinese American and reveals the shifting frames of ethnic identity Finding himself unable to read a Chinese memorial book about his father's life he looks critically at the cost of his own assimilation But he casts an equally questioning eye on the effort to sustain vast racial categories like Asian American And as he surveys the rising anxiety about China's influence Liu illuminates the space that Asians have always occupied in the American imagination Reminiscent of the work of James Baldwin and its unwavering honesty *The Accidental Asian* introduces a powerful and elegant voice into the discussion of what it means to be an American

The Expanding Roles of Chinese Americans in U.S.-China Relations Peter Koehn, Xiao-Huang Yin, Xiao-huang Yin, 2015-02-12 This book addresses the historical and contemporary involvement of Chinese Americans from diverse walks of life in U S China relations The contributors present new evidence and fresh perspectives on familiar and unfamiliar national and transnational networks including families businesspersons community newspapers students lobbyists philanthropists and scientists and consider the likely future impact of such contacts on the most important bilateral relationship at the start of the new millennium The volume makes a multidisciplinary contribution to understanding the extensive and vital roles and promise of Chinese Americans at this critical juncture in U S China relations and to revealing the importance of migrants as actors in contemporary global politics The assessments shared by the contributors suggest that the nature and scope of the Chinese American involvement particularly in global civil society networks increasingly will determine the outcome of state to state relations between the United States and the PRC

Double Agency, 2005 In *Double Agency* Tina Chen proposes impersonation as a paradigm for teasing out the performative dimensions of Asian American literature and culture Asian American acts of impersonation she argues foreground the limits of subjectivity even as they insist on the undeniable importance of subjecthood By decoupling imposture from impersonation Chen shows how Asian American performances have often been misinterpreted read as acts of betrayal rather than multiple allegiance A central paradox informing the book impersonation as a performance of divided allegiance that simultaneously pays homage to and challenges authenticity and authority thus becomes a site for reconsidering the implications of Asian Americans as double agents In exploring the possibilities that impersonation affords for refusing the binary logics of loyalty disloyalty real fake and Asian American *Double Agency* attends to the possibilities of reading such acts as impersonations dynamic performances and a performance dynamics through which Asian Americans constitute themselves as speaking and acting subjects

Multicultural and Ethnic Children's Literature in the United States Donna L. Gilton, 2020-02-18 This edition of Multicultural and Ethnic Children's Literature in the United States addresses both quantitative and more qualitative changes in this field over the last decade Quantitative changes include more authors books and publishers book review sources booklists and awards organizations institutions and websites and criticism and other scholarship Qualitative changes include More support for new and emerging writers and illustrators Promotion of multicultural literature both in the U S and around the world as well as developments in global literature Developments in the literatures described throughout this book as well as in research supporting this literature The impact of technology Characteristics and activities of four adult audiences that use and promote multicultural children's literature and Changes in leaders and their organizations This is still a single reference source for busy and involved librarians teachers parents scholars publishers distributors and community leaders Most books on multicultural children's literature are written especially for teachers librarians and scholars They may be introductions to the literature selection tools teaching guides or very theoretical books on choosing evaluating and using these materials Multicultural and Ethnic Children's Literature in the United States focuses much more on the history of the development of this literature from the nineteenth century to the present day This book provides much more of a cultural and political context for the early development of this literature It emphasizes the self determining viewpoints and activities of diverse people as they produce materials for the young Multicultural and Ethnic Children's Literature describes organizations events activities and other contributions of diverse writers illustrators publishers researchers scholars librarians educators and parents It also describes trends in the research on the literature It elaborates more on ways in which diversity is still an issue in publishing companies and an extended list of related industries It describes related literature from outside of the U S and makes connections to traditional global literature Last Multicultural and Ethnic Children's Literature shows the impact of multiculturalism on education libraries and the mainstream culture in general While the other books on multiculturalism

focus on how to find evaluate and use multicultural materials especially in schools and libraries this book is concerned over whether and how books are produced in the first place and how this material impact the broader society In many ways it supplements other books on multicultural children s literature

Serve the People Karen L. Ishizuka,2018-01-16 A narrative history of the movement that turned Orientals into Asian Americans Until the political ferment of the Long Sixties there were no Asian Americans There were only isolated communities of mostly Chinese Japanese and Filipinos lumped together as Orientals Serve the People tells the story of the social and cultural movement that knit these disparate communities into a political identity the history of how and why the double consciousness of Asian America came to be At the same time Karen Ishizuka s vivid narrative reveals the personal epiphanies and intimate stories of insurgent movers and shakers and ground level activists alike Drawing on more than 120 interviews and illustrated with striking images from guerrilla movement publications the book evokes the feeling of growing up alien in a society rendered in black and white and recalls the intricate memories and meanings of the Asian American movement Serve the People paints a panoramic landscape of a radical time and is destined to become the definitive history of the making of Asian America

The Present State of Scholarship in the History of Rhetoric Lynée Lewis Gaillet,Winifred Bryan Horner,2010-03-15 Through two previous editions The Present State of Scholarship in Historical and Contemporary Rhetoric has not only introduced new scholars to interdisciplinary research but also become a standard research tool in a number of fields and pointed the way toward future study Adopting research methodologies of revision and recovery this latest edition includes all new material while still following the format of the original and is constructed around bibliographical surveys of both primary and secondary works addressing the Classical Medieval Renaissance and eighteenth through twentieth century periods within the history of rhetoric The Present State of Scholarship in the History of Rhetoric doesn t simply update but rather recasts study in the history of rhetoric The authors experienced and well known scholars in their respective fields redefine existing strands of rhetorical study within the periods expand the scope of rhetorical engagement and include additional figures and their works The globalization and expansion of rhetoric are demonstrated in each of these parts and seen clearly in the inclusion of more female rhetors discussions of historical and contemporary electronic resources and examinations of rhetorical practices falling outside the academy and the traditional canon New to this edition is a cumulative review of twentieth century rhetoric along with a thematic index designed to facilitate interdisciplinary or specialized study and scholarly research across the traditional historical periods As programs incorporating rhetorical studies continue to expand at the university level students and researchers are in need of up to date bibliographical resources No other work matches the scope and approach of The Present State of Scholarship in the History of Rhetoric which carries scholarship on rhetoric into the twenty first century

Singing the Lord's Song in a New Land Su Yon Pak,2005-01-01 Singing the Lord s Song in a New Land is one of the first books to address ministry in Korean American contexts and the first from the highly regarded Valparaiso Project to explore

how faith practices work differently in a racial ethnic community The groundbreaking work identifies eight key practices of the Korean American culture keeping the Sabbath singing fervent prayer resourcing the life cycle bearing wisdom living as an oppressed minority fasting and nurturing

Race and Resistance Viet Thanh Nguyen, 2002-03-28 In Race and Resistance Literature and Politics in Asian America Viet Nguyen argues that Asian American intellectuals have idealized Asian America ignoring its saturation with capitalist practices This idealization of Asian America means that Asian American intellectuals can neither grapple with their culture's ideological diversity nor recognize their own involvement with capitalist practices such as the selling of racial identity Making his case through the example of literature which remains a critical arena of cultural production for Asian Americans Nguyen demonstrates that literature embodies the complexities conflicts and potential future options of Asian American culture
