## **Autumn Of The Moguls:**

Autumn of the Moguls Michael Wolff, 2003 Astute brutally honest and always provocative chronicler of assorted media world implosions Michael Wolff has sorted through the wreckage of fallen media empires and fearlessly deconstructed the peculiar psychology behind the mess A former media entrepreneur himself Wolff has had a ringside seat as the conglomeratized worlds of newspapers magazines television radio and the Internet have taken often bewildering turns In Autumn of the Moguls Wolff explains it all taking on the great and not so great characters of the age including AOL Time Warner s Gerald Levin Steve Case Bob Pittman and Walter Isaacson New York Times publisher Arthur Sulzberger Jr Viacom s Sumner Redstone and Mel Karmazin Disgraced domestic goddess Martha Stewart Would be media empress Tina Brown Legendary kahuna Barry Diller Media mogul turned New York City mayor Michael Bloomberg Disney czar Michael Eisner And an outrageous cast of self proclaimed creative geniuses short sighted and often short financiers and shameless politicians who attempt and frequently succeed in manipulating the media Autumn of the Moguls Michael Wolff, 2003 Michael Wolff knows Rupert Murdoch Barry Diller Jean Marie Messier Steve Ross and Ted Turner He knows what they want what fuels their appetites and what they can and can t see when they look in the mirror or the financial pages And he tells us all he knows in this report *The Fall of the Nan Soung a Tale of the Mogul Conquest of China in Three Volumes. Vol. 1 [-3]*, 1846 **In the Kingdom of the Great Moguls** Gertraude Wilhelm, **Right of the Dial** Alec Foege, 2009-04-14 In *Right of the Dial* Alec Foege explores how the mammoth media conglomerate evolved from a local radio broadcasting operation founded in 1972 into one of the biggest most profitable and most polarizing corporations in the country During its heyday critics accused Clear Channel the fourth largest media company in the United States and the nation s largest owner of radio stations of ruining American pop culture and cited it as a symbol of the evils of media monopolization while fans hailed it as a business dynamo a beacon of unfettered capitalism What s undeniable is that as the owner at one point of more than 1 200 radio stations 130 major concert venues and promoters 770 000 billboards 41 television stations and the largest sports management business in the country Clear Channel dominated the entertainment world in ways that MTV and Disney could only dream of But in the fall of 2006 after years of public criticism and flattening stock prices Goliath finally tumbled Clear Channel Inc sold off one third of its radio holdings and all of its television concerns while transferring ownership to a consortium of private equity firms The move signaled the end of an era in media consolidation and in *Right of the Dial* Foege takes an insightful look at the company s successes and abuses showing the ways in which Clear Channel reshaped America s cultural and corporate landscapes along the way Dictionary of Media and Communication Studies James Watson, Anne Hill, 2015-10-22 A comprehensive lexicon of all aspects of the study of interpersonal group mass communication and the world of internet communication **A General History of the Turks, Moguls and Tatars, Vulgarly Called Tartars** Ebülgâzî Bahadır Han (Khan of Khorezm), 1730 *Great Western: Moguls and Prairies* David Maidment, 2016-08-31 Traces
