Awakening the Sun Quartz Fields , Shamanic Awakening Sandra Corcoran,2014-03-02 One woman s mystical path through grief into renewal expanded awareness and discovery of her own healing capabilities Offers a lens into a wide variety of wisdomkeeping traditions and alternative healing paradigms throughout the Americas and Europe Shows how the mystical path enables us to find renewal in times of profound loss Details the author s awakening to the energies of the cosmos which can guide us toward our destiny balanced between our soul s dark and light energies How do you find renewal after loss especially the loss of a child How do you find purpose and courage when loss is your constant teacher After weeks of profound grief following the loss of her young daughter Sandra Corcoran found herself inexplicably at a life changing workshop on indigenous teachings and energy healing With the first glimpse of the light that called her to the workshop Corcoran found herself beginning a 30 year metaphysical journey within initially to heal her grief but eventually leading her from the darkness into the light of her own soul s evolution Working with Native elders and indigenous wisdomkeepers throughout North Central and South America Corcoran opened her heart to the immensity of the living energies of the cosmos and discovered her shamanistic gifts as an intuitive counselor dreamtime decoder and facilitator for others self healing As she learned to discern these living energies and work with them she also discovered the middle path between the soul s dark and luminous energies striking the balance that allows us to fulfill our destiny Sharing the core teachings of her many indigenous and esoteric mentors including lessons in synchronicity metaphysics the extraordinary power of the heart multi dimensional realms and energy healing Corcoran leads readers on an adventure across continents through birth death ceremony and ritual to renewal and the frontiers of expanded consciousness She shows that no matter how far outside of the familiar we are led we are guided back to ourselves and offered another opportunity to embrace our world and ultimately find our place in it *Stones of the New Consciousness* Robert Simmons,2021-01-12 Details the spiritual healing and energetic qualities of stones such as Moldavite Nuummite Circle Stones Nirvana Quartz from the Himalayas and high vibrational Natrolite from the emerald mines of Russia Features color photos of exceptional examples of each of the stones Includes practices for deepening one s awareness of the stones gifts from expanding consciousness to healing to awakening the Light Body to fulfilling one s personal and collective destiny In *Stones of the New Consciousness* Robert Simmons examines the 62 most important stones to help accelerate and enhance conscious evolution and spiritual awakening Each entry is illustrated with color photos of exceptional examples The stones include Moldavite the extraterrestrial amorphous crystal Nuummite the oldest gemstone on Earth and Circle Stones the highly energetic Flint found in crop circle formations Other featured rarities include Nirvana Quartz from the Himalayas and high vibrational Natrolite from the emerald mines of Russia Simmons begins with a new approach to meditation with stones and to the possibility of conscious relationship with the spiritual beings who express themselves in our world as crystals and minerals He includes historical and mythological

references for each stone positing that the fabled Stone of the Holy Grail and the Philosopher's Stone of the alchemists may have physical counterparts among the minerals discussed Simmons presents practices for deepening one's awareness of the stones gifts from expanding one's consciousness to healing to awakening the Light Body to fulfilling one's personal and collective destiny While emphasizing direct contact with stones the book also explores crystal energy tools energy environments and applications such as stone elixirs and essences that can aid anyone on a spiritual path *Awakening Osiris* Normandi Ellis,2009-06-05 The Egyptian Book of the Dead is one of the oldest and greatest classics of Western spirituality Until now the available translations have treated these writings as historical curiosities with little relevance to our contemporary situation This new version made from the hieroglyphs approaches the Book of the Dead as a profound spiritual text capable of speaking to us today These writings suggest that the divine realm and the human realm are not altogether separate they remind us that the natural world and the substance of our lives is fashioned from the stuff of the gods Devoted like an Egyptian scribe to the principle of effective utterance Normandi Ellis has produced a prose translation that reads like pure diaphanous verse **Beyond 2012: Catastrophe or Awakening?** Geoff Stray,2009-05-21 An illustrated encyclopedic overview of the prophecies calendars and theories that indicate the year 2012 is a threshold of great change for humanity Looks at the scientific and anthropological evidence for the rare galactic alignment due to occur in December 2012 Sifts through the catastrophic theories to show what we might really expect in 2012 In December of 2012 the Mayan Calendar's Great Cycle will come to an end Opinion remains divided as to whether apocalyptic scenarios of worldwide destruction or utopian visions of a spiritually renewed humanity will prevail after this key date has passed What is certain however is that a rare galactic alignment will occur one so unique that it is found at the core of many wisdom traditions from around the globe Geoff Stray has been collecting the vast amounts of data relating to the 2012 phenomena since 1982 Far from confining his research to the Maya who provide the most prominent predictions indicating this date will herald significant changes for humanity he has studied the prophetic traditions of other cultures including the Tibetan Chinese Jewish Ethiopian and tribal cultures from around the globe to show the kind of convergence of cosmic purposes happening along a number of parallel tracks This book offers an extensive study of many modern theories including Terence McKenna's timewave zero and Maurice Cotterell's sunspot research as well as anomalous phenomena such as near death experiences and crop circles Sifting through all the scientific research and speculation that the year 2012 has inspired Geoff Stray provides an encyclopedic look at what we might really expect on this pivotal date **A Soul Hacker's Guide to Awakening** Rod Noble,2019-11-06 What if there were ancient consciousness technologies and lost energy methodologies discovered once again that could transform the very core of our beingness while facilitating a peaceful harmonious world for all people *Mazama* ,1916 [Acorns: Windows High-Tide Foghat](#) Joshua Morris,2013-01-23 Acorns delineates the future of humanity as a reunification of intellect with the Deep Self Having chosen to focus upon ego established securely by the time

of Christ much more beta brain wave development will destroy our species and others which process has already begun We create our own realities through beliefs intents and desires and we were in and out of probabilities constantly Feelings follow beliefs not the other way around **People of the Black Sun** Kathleen O'Neal Gear,W.
