## **Awakening Courage One Woman's Journey:**

**Awakening Courage** Gretchen Lara Shartle, 2003 This is a story of one woman's journey to fulfill her dream of making a contribution to society. Coming from a privileged life in the Houston countryside it was hard for her to imagine that she could make a difference in the bigger world. But step by step she finds her way. Times of stillness are followed by action interspersed with poetry and introspection as she moves from Texas to deep involvements especially in the Central American conflict. **Awakening Courage** tells how this patriotic American woman came to question the use of her nation's power then had the courage to do something about it. This book may awaken in you the courage to stand up for your own American Amazon.com

**Awakening To Me** Kerri Hummingbird Sami, 2014-06-07 **Awakening To Me** is the Category Winner in 2014 The Indie Spiritual Book Awards and 2015 Pinnacle Book Achievement Awards. It is a story of personal metamorphosis written over the course of several years in real time as life unfolded and lessons were learned. It is a work of naked truth about Kerri Hummingbird's struggles with borderline personality disorder recovering from divorce after a 20 year marriage and seeking love from outside herself. The story documents how alternative healing methods shamanic energy medicine and reiki and mindfulness practices Yoga and Toltec wisdom led to an amazing transformation that arguably negates the former psychological diagnosis. Kerri shares her story so that others may witness that with dedication faith and a willingness to shine a light into the shadows challenges can be overcome and lasting inner peace and self love can be cultivated. Let Kerri's story and her heartfelt recommendations for self help inspire you to begin your own journey of healing. Kerri's raw courage and vulnerable transparency blaze a trail for any woman on a healing journey. **Awakening to Me** is a magnificent book that takes us behind the scenes of transformation and shows how even the most difficult situations can be the fodder for finding oneself. Let Kerri's book guide you to find your independence and self love.

HeatherAsh Amara author of *The Toltec Path of Transformation and Warrior Goddess Training* In **Awakening To Me** Kerri shares her intimate and difficult personal and spiritual journey to identify and express her authentic being into the world. Her story is engaging sometimes disturbing yet with a clear underlying thread of compassion for herself and others also engaged in their own struggle with borderline personality disorder. In her words she seeks to give voice to those who have no voice. Her life voyage takes her through light and darkness to amazing heights and agonizing lows. In her world travels she meets with some of the teachers who have helped shape the views of spiritual development for a generation. Each has something to share with her that may shed light upon your own path as well. It has been my pleasure and honor to walk with Kerri through some of her journey. I heartily recommend this book to you as a tool for your own amazing self exploration. Among these pages you will find a courageous and dedicated explorer of life and spirit.

Gerry Starnes M Ed author of *Spirit Paths The Quest for Authenticity* This powerful book intensely and beautifully expresses the internal world of someone with Borderline Personality Disorder. The author takes us on a tour of her internal emotional world the depths of despair the emptiness and frantic efforts to find love. Ms

Hummingbird takes us with her on the journey toward internal independence and core stability what works and what doesn't. From her personal work she provides suggestions exercises and quotes This book will be of profound use to anyone with this diagnosis their family members therapists and allies In fact I'd also recommend it for those diagnosed with Post Traumatic Stress Disorder or who have symptoms of Bipolar Disorder But in truth we can all benefit from reading this book Awakening to Me is an invitation to self honesty persistence in seeking meaningful help and the long work of sustained effort This book is well written and well organized but it is the author's honesty and insight that makes it powerful Her emotions and thoughts the related beliefs are clearly described These are in turn related to events in Ms Hummingbird's history into present relationships and dynamics in a manner that doesn't lose the reader in her internal world Instead we understand ourselves better our friends and family members We understand better what it means to be human Category Judge Indie Spiritual Book Awards 2014
