Awakening The Will:

Awakening Through the Veils Ric Weinman, 2013-06-03 Awakening through the Veils takes the reader step by step through the mysterious process of awakening. For most seekers it will be a direct and practical guide towards an actual awakening. For those already awake it will help to deepen them from where they are now. During the last ten years I have had the privilege of following Ric's awakening path and it has produced a huge transformation in me. I have worked on my inner constraints, freeing the issues that caused me great fear and suffering. Through Ric's guidance I have been able to walk step by step on a road that leads to awakening to our true nature, creating a life with more freedom and openness. It has been a journey from the shadows to the light. I am completely sure that as you read this book and put your consciousness into it, you will have the same wonderful experience. Santiago Ardisson, President of the Columbia Foundation on Consciousness and Energy. Of all the teachers, guides, and masters who I have met in my forty years of seeking spiritual fulfillment, Ric Weinman has the ability to map not only consciousness but that most elusive of qualities, awakening. VortexHealing R provides a path that anyone can tread to that end. What more can you ask? I thoroughly recommend the VortexHealing R path. Ric and this great book he has written. Richard Farmer, Founder Tai Chi Movement for Wellbeing, Dir. Rising Dragon Tai Chi Living Ltd, Hon. Pres. Tai Chi Union of Great Britain.
