for Strategic Scheduling Nathan Levenson, David James, 2023-07-03 An accessible guide to creating schedules that amplify school and district priorities support best practices in teaching and learning heighten student engagement and enhance equity A school's schedule can be as important to education outcomes as its budget or strategic plan The secret to making the schedule a tool for school improvement is to approach schedule design not as a technical task centered on making everything fit like Tetris blocks but as a strategic one In this book informed by research and their work with hundreds of schools scheduling experts Nathan Levenson and David James explore how strategic scheduling can turn a good enough schedule into one that supercharges learning and engagement without additional costs or more FTEs If you are ready to Figure out which schedule type is best for your students and staff Disrupt harmful tracking and ensure every student has access to highly skilled teachers and rigorous curriculum Deliver optimum hours of core instruction while expanding electives and providing opportunities for student voice and choice Precisely match staffing to course enrollment to free up personnel and funds for other purposes Find time for critical intervention and enrichment blocks and Communicate scheduling decisions more effectively to parents families and district leaders then it's time for strategic scheduling Offering targeted advice for best practice scheduling at the elementary middle and high school levels this book will help school and district leaders and the teachers and students they serve make the most of every school day and every school year

Thinking Clearly John-Mark L. Miravalle, 2023-12-19 As baptized Christians we are called to spread the Good News of Jesus Christ But that has become increasingly difficult in today's post Christian culture which has largely rejected God and Christian beliefs This is the primary field where most of us are called to sow and harvest for the kingdom and a culture antithetical to Christianity requires a different approach Philosophy provides some common ground with the modern world as well as tools to think rationally about who we are and what we were made for Thinking Clearly is your introduction to philosophy in the Catholic tradition and a guide to having difficult conversations about faith morality the human person and more using natural human insights Philosophy is the study of what can be known by universal experience so the ground from which philosophy starts is as common as you can get Once you initiate a philosophical discussion though it's up to you to show how that discussion can end up at God Ultimately that's where good philosophy leads and this book will help you get started
