

Rosanna Filippello

The background of the slide is a black and white photograph of a city street in winter. The street is covered in snow, and the air is thick with fog or smoke, obscuring the tall buildings in the background. Several vintage cars from the mid-20th century are visible on the street. A lone figure is walking on the sidewalk on the left. The overall mood is mysterious and atmospheric.

B. Angelo Mystery, Angel of Justice Rosanna Filippello, 2004-10 Angelo pulled up in front of Jenny's house Why are all the lights out she wondered Surely she hadn't gone to bed so early Jenny knew she was going to be stopping by to see her tonight She reached for her cell phone but remembered it was dead Getting out of the car she walked up the front path She noticed a set of footprints in the snow The snow had been falling fast but not fast enough to cover them completely They were made maybe a half an hour ago She followed the fading but large definitely male footprints They did not go up to the front door but around the back Something was definitely amiss Tracking them to the rear yard she spied the phone box its wires cut Oh damn The footprints ended at the fence Angelo looked around to see if they backtracked but they did not Looking up she could see the door ajar on the second floor deck She had to get up there Climbing the fence she pulled herself up and onto the deck She peered into the darkened room If only I had a lousy flashlight My kingdom for a flashlight Pulling her firearm she opened the door and crept inside In the pitch black darkness she made her way over to the door She leaned an ear to the door listening She could hear voices across the hall A man's voice and a very frightened woman's Slowly opening the door praying it wouldn't squeak and alert them she moved down the hall toward the voices She could smell tobacco He was here She knew it and damn it so was Jennifer Fearing that Jenny would be hurt in the crossfire if she used her weapon she secured it She was equally dangerous without it She moved closer to the door and listened at the master bedroom She could hear Jenny trying to talk to her assailant He seemed to be getting impatient with her stalling On the bed now he ordered Angelo could hear Jenny being tossed down on the bed its mattress springs creaking She tried the door but found it locked Now Angelo thought as she kicked in the bedroom door She crashed inside taking both Jenny and the man by surprise He jumped up as Angelo charged him He was as solid as a rock It was like running into a brick wall Angelo was not a small woman by any standard having more muscle than fat on her lean body but he swatted her away with a backhand Rolling away from the punch she charged him again Jenny screamed The man was quicker than Angelo anticipated and he hurled the bedside lamp at her
