Administrative Subdivisions Of Countries:

Administrative Subdivisions of Countries Gwillim Law, 2015-05-20 In marked contrast to the United States with its territorial stability some countries such as Bulgaria and Ethiopia reorganize their regional subdivisions frequently This large format reference work simplifies the comparison of decades worth of data from such countries With this book in hand one can answer any administrative subdivision question about any state or province in the world from 1900 through 1998 Abstracts of Public Administration Development and Environment For each country there is at least one table and usually several Histories of subdivision changes and lists of alternate names for subdivisions in each country add to the work s research value All relevant national and international standards such as ISO and FIPS codes are listed as well as time zones populations areas and capitals for each subdivision There is a comprehensive index of names

OECD Regional Development Studies Regional Development Policies in OECD Countries OECD, 2010-09-28 This book is a handy reference guide to the regional policies of OECD countries and a broader analysis of trends in regional policies based on sound comparable information

OECD Multi-level Governance Studies Decentralisation and Regionalisation in Bulgaria Towards Balanced Regional Development OECD, 2021-02-23 Bulgaria has made solid progress in its territorial governance and socio economic development Yet it has not been able to counteract large and increasing territorial disparities Doing so will require addressing remaining structural challenges that may be limiting further transformation government performance and regional resilience

Regional Disparities in Small Countries Daniel Felsenstein, 2005-05-09 This book challenges the common perception that significant regional disparities do not exist in small countries As small developed countries become increasingly competitive and their economic structures resemble those of the large a re assessment of the regional consequences of these changes is of timely importance *Regional Disparities in Small Countries* presents a systematic discussion of the unique theoretical methodological and measurement challenges in analyzing regional inequalities in small countries and a series of empirical analyses addressing the issue of regional convergence and divergence in these countries With contributions from leading regional scientists and economists this book also examines the policy experience of small countries in closing regional gaps and the effectiveness of public interventions in this field see Reviews

Education in the Industrialised Countries NA Poignant, 2013-06-29 In 1965 Mr Raymond Poignant published a comparative study entitled *Education in the Common Market Countries* of the organization and state of development of education in the six countries of the Community and in three industrialised countries the United States the United Kingdom and the USSR Mr Poignant at present Director of the International Institute for Educational Planning UNESCO compiled the material for this study when he was Chairman of a committee set up by the EEC Institute for University Studies Since then it has become a reference work for all those who wish to understand the similarities and the diversity of our educational systems it has been translated into German and English In the preface to the first edition we expressed the wish that this

work of comparative analysis should be pursued and kept up to date This wish is fulfilled in the work we are now introducing and which was undertaken by Mr Poignant pursuant to an agreement between the European Cultural Foundation and the International Institute for Educational Planning It should be emphasised that this is not simply a revised edition of the previous work The scope of the book has been enlarged and Japan and Sweden are now included in the list of countries examined more over the perspective is different
