Adolescent Sexuality

**Thomas P. Gullotta, Gerald R.
Adams, Raymond Montemayor**

Adolescent Sexuality:

Adolescent Sexuality Thomas P. Gullotta, Gerald R. Adams, Raymond Montemayor, 1993 Unplanned pregnancies and sexually transmitted diseases are on the increase among young people This volume explores social and behavioural implications of adolescent sexuality and suggests ways in which to encourage sexual responsibility With contributions from psychologists sociologists and family care experts the volume examines such topics as gender sexual behaviour adolescent parenting homosexuality and bisexuality *Handbook of Child and Adolescent Sexuality* Daniel S. Bromberg, William T. O'Donohue, 2013-01-28 Adolescent and child sexuality is studied by developmental psychologists from a research perspective and is of interest to forensic psychologists dealing with abuse and custody issues as well as rape cases In many cases it is of interest whether the child in question was sexually active to understand the extent to which an underage minor might have voluntarily participated in sexual activity as opposed to having been coerced Previously researchers interested in the applications of their research needed to look to separate books and forensic specialists needed to look to development books to find the information they may have needed This handbook provides both audiences with the related information they need Encompasses normative behavior and clinical disorders in one source Applies the information on development and behavior to forensic issues Provides treatment information on sexual disorders in children Provides information on children and adolescents in one volume **Handbook of Child and Adolescent Sexuality** Christine Wekerle, Terry Bennett, Karen Francis, 2013-01-28 *Adolescent Sexuality* John E. Perito, 2008 Adolescents sexual behaviors and attitudes are causing considerable anxiety confusion and discussion among parents teachers and clergy Even very young adolescents are engaging in sexual behaviors that are deemed appropriate for adults and our culture and media are more than ready to promote these behaviors School boards debate endlessly about what should or should not be included in the sexual education curriculum This book will offer definite principles and guidance to help calm this turmoil **Sexual Teens, Sexual Media** Jane D. Brown, Jeanne R. Steele, Kim Walsh-Childers, 2001-11-01 This collection explores the sexual content of U S mass media and its influence in the lives of adolescents Contributors address the topic of sexuality broadly including evidence not only about physical sex acts but also about the role the media play in the development of gender roles standards of beauty courtship and relationship norms Chapters included here present new perspectives on what teens are paying attention to in the media and offer insight into how teens are understanding and applying what the media present about sex and sexuality Employing various methodological approaches the studies also represent a diversity of adolescent audiences and deal with a wide variety of media content ranging from teens favorite TV programs to magazines movies music and teen girls Web pages Taken as a whole this volume highlights the significant roles the media play in adolescents sexual lives Sexual Teens Sexual Media contributes important evidence to the ongoing debate over media effects making it essential reading for scholars and students in media studies as well as social and developmental psychology **Adolescent Sexuality, An Issue of Pediatric**

Clinics of North America Marianne E. Felice, 2017-04-28 Dr Felice has put together clinical reviews articles that cover a broad scope of clinical issues that are common among sexually active adolescent patients Some issues addressed include HPV Vaccine Update Treating Dysmenorrhea Menorrhagia New STD Guidelines Emergency Contraception Talking to Parents about Teen Sexuality and Long acting Reversible Contraception Most pediatricians feel poorly equipped to address these problems They are also complicated issues that give the average pediatric clinician pause and often take more time than usually scheduled in a busy practice By providing practical updated information on these clinical problems pediatric practitioners can become more comfortable in dealing with these topics Although many clinicians are not involved with adolescents in the juvenile justice system Dr Felice included an article on this so that pediatricians can be more educated and sensitive to the needs of these young people An article on human trafficking of teens is included with the hope bringing awareness of this issue Articles in this issue were selected specifically because they directly affect primary pediatric care For example an article is included on how to help young people avoid being victims of partner violence rather than an article on sexual abuse and rape because adolescents would be treated in the emergency room and not the pediatrician's office

Handbook of Child and Adolescent Sexuality Tania B. Huedo-Medina, Estrellita Ballester, Blair T. Johnson, 2013-01-28

Handbook of Child and Adolescent Sexuality Amanda M. Fanniff, Judith V. Becker, 2013-01-28 *Adolescent Sexuality in a Changing American Society* Catherine S. Chilman, 1978 *Female Adolescent Sexuality in the United States, 1850-1965* Ann Kordas, 2019-04-08 This book examines the history of female adolescent sexuality in the United States from the middle of the nineteenth century until the beginning of the 1960s The book analyzes both adult perceptions of female adolescent sexuality and the experiences of female adolescents themselves It examines what girls knew or thought they knew about sex at different points in time girls sexual experiences girls ideas about love and romance female adolescent beauty culture and the influence of popular culture on female adolescent sexuality It also examines the ways in which adults responded to female adolescent sexuality and the efforts of adults to either control or encourage girls interest in sexual topics dating girls participation in beauty culture and their education on sexual topics The book describes a trajectory along which female adolescents went from being perceived as inherently innocent and essentially asexual to being regarded and feared as primarily sexual in nature
