Aesthetics And Politics:

Aesthetics and Politics Bertolt Brecht, Ernst Bloch, Georg Lukács, Theodor Adorno, Walter Benjamin, 2018-06-26 No other country and no other period has produced a tradition of major aesthetic debate to compare with that which unfolded in German culture from the 1930s to the 1950s In Aesthetics and Politics the key texts of the great Marxist controversies over literature and art during these years are assembled in a single volume They do not form a disparate collection but a continuous interlinked debate between thinkers who have become giants of twentieth century intellectual history

Aesthetics and Politics Ernst Bloch, 1980 No other country and no other period has produced a tradition of major aesthetic debate to compare with that which unfolded in German culture from the 1930s to the 1950s In Aesthetics and Politics the key texts of the great Marxist controversies over literature and art during these years are assembled in a single volume They do not form a disparate collection but a continuous interlinked debate between thinkers who have become giants of twentieth century intellectual history Aesthetics and Politics, 1992 **The Politics of Aesthetics** Marc Redfield, 2003 This book suggests that modern cultural and critical institutions have persistently associated questions of aesthetics and politics with literature theory technics and Romanticism Its first section examines aesthetic nationalism and the figure of the body focusing on writings by Benedict Anderson J G Fichte and Matthew Arnold and arguing that uneasy acts of aestheticization of media technology and abjection of the maternal body undergird the production of the national body as imagined community Subsequent chapters on Paul de Man Friedrich Schlegel and Percy Shelley explore the career of the gendered body in the aesthetic tradition and the relationship among aesthetics technics politics and figurative language The author accounts for the hysteria that has characterized media representations of theory explains why and how Romanticism has remained a locus of extravagant political hopes and anxieties and in a sequence of close readings uncovers the anaesthetic condition of possibility of the politics of aesthetics **The Politics of Aesthetics** Jacques Rancière, 2013-05-08 The Politics of Aesthetics rethinks the relationship between art and politics reclaiming aesthetics from the narrow confines it is often reduced to Jacques Rancière reveals its intrinsic link to politics by analysing what they both have in common the delimitation of the visible and the invisible the audible and the inaudible the thinkable and the unthinkable the possible and the impossible Presented as a set of inter linked interviews The Politics of Aesthetics provides the most comprehensive introduction to Rancière's work to date ranging across the history of art and politics from the Greek polis to the aesthetic revolution of the modern age Available now in the Bloomsbury Revelations series 10 years after its original publication The Politics of Aesthetics includes an afterword by Slavoj Žižek an interview for the English edition a glossary of technical terms and an extensive bibliography Communities of Sense Beth Hinderliter, Vered Maimon, Jaleh Mansoor, Seth McCormick, 2009-09-18 A collection of essays that engage Jacques Rancière's theories in a re examination of the relationship between contemporary artistic production and politics International Politics and Performance Jenny Edkins, Adrian

Kear,2013-11-07 In recent years we have witnessed an increasing convergence of work in International Politics and Performance Studies around the troubled and often troubling relationship between politics and aesthetics Whilst examination of political aesthetics aesthetic politics and politics of aesthetic practice has been central to research in both disciplines for some time the emergence of a distinctive performative turn in International Politics and a critical return to the centrality of politics and the concept of the political in Performance Studies highlights the importance of investigating the productivity of bringing the methods and approaches of the two fields of enquiry into dialogue and mutual relation Exploring a wide range of issues including rioting youth driven protests border security practices and the significance of cultural awareness in war this text provides an accessible and cutting edge survey of the intersection of international politics and performance examining issues surrounding the politics of appearance image event and place and discusses the development and deployment of innovative critical and creative research methods from auto ethnography to site specific theatre making from philosophical aesthetics to the aesthetic thought of new securities scenario planning The book s focus throughout is on the materiality of performance practices on the politics of making spectating and participating in a variety of modes as political actors and audiences whilst also seeking to explicate the performative dynamics of creative and critical thinking Structured thematically and framed by a detailed introduction and conclusion the focus is on producing a dialogue between contributors and providing an essential reference point in this developing field This work is essential reading for students of politics and performance and will be of great interest to students and scholars of IR performance studies and cultural studies

Aesthetics and Politics Ole Marius Hylland,Erling Bjurström,2018-06-23 Through comparative and integrated case studies this book demonstrates how aesthetics becomes politics in cultural policy Contributors from Norway Sweden and the UK analyse exactly what happens when art is considered relevant for societal development at both a practical and theoretical level Cultural policy is seen here as a mechanism for translating values that through organized and practical aesthetical judgement lend different forms of agency to the arts What happens when aesthetical value is reinterpreted as political value What kinds of negotiations take place at a cultural policy ground level when values are translated and reinterpreted By addressing these questions the editors present an original collection that effectively centralises and investigates the role of aesthetics in cultural policy research

The Aesthetics and Politics of the Crowd in American Literature Mary Esteve,2003-02-27 Mary Esteve provides a study of crowd representations in American literature from the antebellum era to the early twentieth century As a central icon of political and cultural democracy the crowd occupies a prominent place in the American literary and cultural landscape Esteve examines a range of writing by Poe Hawthorne Lydia Maria Child Du Bois James and Stephen Crane among others These writers she argues distinguish between the aesthetics of immersion in a crowd and the mode of collectivity demanded of political liberal subjects In their representations of everyday crowds ranging from streams of urban pedestrians to swarms of train travellers from upper class parties to lower class revivalist meetings such

authors seize on the political problems facing a mass liberal democracy problems such as the stipulations of citizenship nation formation mass immigration and the emergence of mass media Esteve examines both the aesthetic and political meanings of such urban crowd scenes *Aesthetics and Politics* Theodor Adorno,Walter Benjamin,Ernst Bloch,Bertolt Brecht,Georg Lukacs,2020-10-13 An intense and lively debate on literature and art between thinkers who became some of the great figures of twentieth century philosophy and literature With an afterword by Fredric Jameson No other country and no other period has produced a tradition of major aesthetic debate to compare with that which unfolded in German culture from the 1930s to the 1950s In *Aesthetics and Politics* the key texts of the great Marxist controversies over literature and art during these years are assembled in a single volume They do not form a disparate collection but a continuous interlinked debate between thinkers who have become giants of twentieth century intellectual history
