

Now that I've found
you I'm so scared to
love you how I want to.

Scared that I'm
to much for you,

scared that
you'll walk away.

Scared to give you my all,
just to find myself
shut out again.

Afraid To Love Again

Afraid To Love Again:

Ggg Michelle Prewett,2017-03-23 I have arranged this book in such a way as to divide it into categories so that the reader will get the maximum benefit and experience of it First the enormous grief and pain during times of betrayal divorce and broken homes that affect all members of the family This first part of grief highly focuses on relationships where there is dysfunction and abuse and overall love that has been lost Volume Two will focus on issues of struggle with time and with money issues that we face in this life such as death the overall character of the man his body his talents his gifts and where Jesus comes in to place in his life Issues of morality the world and justice are also touched upon Heroes and the thirst for righteousness as well as overall prayers and supplications to the Almighty will be addressed in the second volume There will also be prayers and short poems that are brief but in their brevity stress a main point Finally in the third volume of glory this will be a collection and compilation of current events and all time favorites of the poet s choosing representing the mastery skill and talent that has been bestowed on the writer One s senses will be heightened and enlightened with effortless enjoyment experienced by the reader It is highly advised that the reader purchase all three volumes to get the maximum effect of the whole process so they can better relate to each poem The reader will be taken upon a journey first of betrayal love lost sorrow and death and in a sense dying to oneself The next volume will focus on encouragement and prayers even though one does not understand why they are going on their specific journey The grace in volume two cannot be denied and can only be dealt once the grief is experienced It is so blatant that it seems to jump off the pages with healing power And finally volume three is the pinnacle of God s glory demonstrated by a compilation of all time favorites chosen by the poet herself as well as all the troubling current events that are occurring in the world at this time It is my desire that the persons reading this compilation of poems focus on all of the volumes because each has immense beauty and meaning It is for this reason that it would be my honor and desire that you purchase all three to get the maximum benefit of the process keeping the end result in mind Yoga Osho,2022-02-08 Patanjali is a rare flower He has a scientific mind but his journey is inner

That s why he became the first and the last word he is the Alpha and the omega For five thousand years nobody could improve upon him It seems he cannot be improved upon He will remain the last word because the very combination is impossible To have a scientific attitude and to enter into the inner is almost an impossibility He talks like a mathematician a logician He talks like Aristotle and he is a Heraclitus **Her Amish Legacy** Tracey J. Lyons,Patricia Davids,2022-06-28

Holding on to what matters most A Love for Lizzie by Tracey J Lyons After her father falls ill Lizzie Miller and her family desperately need help to keep the farm going during harvesttime Neighbor Paul Burkholder is eager to lend a hand and to court Lizzie But Paul has a secret that he fears could push Lizzie away Can they finally heal from a tragedy in their pasts and open their hearts to each other The Farmer Next Door by Patricia Davids Adrian Lapp vows to never have a family again after losing his wife and son But the newest resident of the Amish community of Hope Springs captivates him from their first

meeting Widow Faith Martin is strong and courageous If only Adrian can open himself to the possibility of love again USA TODAY Bestselling Author Patricia Davids 2 Uplifting Stories A Love for Lizzie and The Farmer Next Door **The Untold Heart** Morgan Leigh,2010-10-19 There are poems for everyone in this book Many are about love and things going on in my life but I also used my imagination to try to reach out to other readers who would not directly relate to my life There are poems about relationships families friends God and life in general **Being Committed in a Difficult Place** Vernadette R. Augustusel,2020-06-12 When faced with life s challenges we need to learn how to stand and remain committed during hard and complicated times instead of taking flight when things become difficult or problematic I guess one could say that is practicing the art of being optimistic But God has put something more on the inside of each of us than just being optimistic something that helps us stand when life becomes challenging From time to time all of us have been faced with complex issues in life Unfortunately it is in those times the testing times that some people will give up on life But for those who know who God is who they are and what their purposes are in life have learned to stand and be committed in difficult times In the book of Joshua 1 9 AMP God first asks Joshua a question and then tells him Have I not commanded you Be strong and courageous Do not be terrified or dismayed intimidated for the Lord your God is with you wherever you go We have that same powerful presence of God available to us today Once we have accepted Jesus Christ as our personal Lord and Savior we come to know and realize that God is with us It s also important to understand that we have available to us his grace love faithfulness and mercy With all of that available to us we should feel empowered to being committed during hard and difficult times This is why it is important for us not to become settled in our hardships or difficulties or to take on a defeated attitude towards life But we should continue trusting and believing God as we go through our difficulties knowing that God always has a way out First Corinthians 10 13 14 states No temptation has overtaken you except what is common to mankind And God is faithful he will not let you be tempted beyond what you can bear But when you are tempted he will also provide a way out so that you can endure it The Word continues to encourage us in Ecclesiastes 9 4 anyone who is among the living has hope even a live dog is better off than a dead lion It is my belief that God has put in each of us an inner strength and peace that we must learn how to tap into obtain and walk in This inner strength is available to each of us if we believe respect and receive it so that we can be committed in difficult and uncertain times Fear Osho,2012-10-16 One of the greatest spiritual teachers of the twentieth century invites you on a journey through what makes human beings afraid and how confronting fears strengthens us In Fear Understanding and Accepting the Insecurities of Life Osho takes the reader step by step over the range of what makes human beings afraid from the reflexive fight or flight response to physical danger to the rational and irrational fears of the mind and its psychology Only by bringing the light of understanding into fear s dark corners he says airing out closets and opening windows and looking under the bed to see if a monster is really living there can we begin to venture outside the boundaries of our comfort zone and learn to live with and even enjoy the fundamental insecurity of

being alive Fear features a series of meditation experiments designed to help readers experience a new relationship with fear and to begin to see fears not as stumbling blocks but as stepping stones to greater self awareness and trust Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world

Birdmen Phil Williams, 2011-04-06 Birdmen is a story about our wars More specifically it is the story of two young men caught in the middle of the conflict in Iraq and their attempts to carve out meaning and purpose in the midst of a war they do not fully understand As an old veteran in the book says Something inside all of us dies in a war Hope innocence maybe just navet In a sense we are all struggling in some form or other for a victory that seems to constantly elude us Suddenly we find ourselves fighting a battle that may provide no real sense of absolution in the end War is truly ugly Truth becomes abstracted Redemption reveals itself as an often unpleasant and complicated process Soldiers come home from a war expecting to be free and clear of the thing only too often to find they are still carrying it around inside them For those who live through it the war is never really over and there may be no such thing as a happy ending

Walk In Thousand Miracles SRIJA SADHUKHAN, Walk in thousand miracles basically mean about those miracles which you explore in your life when you are alone Those qualities about which you were unaware about Walk a little bit more to find yourself in a better one as a better version of yourself To define those qualities in your life are miracles

The Fear Cure Lissa Rankin, M.D., 2016-03-08 Not many people in the medical world are talking about how being afraid can make us sick but the truth is that fear left untreated becomes a serious risk factor for conditions from heart disease to diabetes to cancer Now Lissa Rankin M D explains why we need to heal ourselves from the fear that puts our health at risk and robs our lives of joy and shows us how fear can ultimately cure us by opening our eyes to all that needs healing in our lives Drawing on peer reviewed studies and powerful true stories The Fear Cure presents a breakthrough understanding of fear s effects and charts a path back to wellness and wholeness on every level We learn How a fearful thought translates into physiological changes that predispose us to illness How to tell true fear the kind that arises from a genuine threat from false fear which triggers stress responses that undermine health How to tune in to the voice of courage inside our Inner Pilot Light How to reshape our relationship to uncertainty so that it s no longer something to dread but a doorway to new possibilities What our fears can teach us about who we really are At the intersection of science and spirituality The Fear Cure identifies the Four Fearful Assumptions that lie at the root of all fears from the sense that we re alone in the universe to the belief that we can t handle losing what we love and shifts them into Four Courage Cultivating Truths that pave our way to not only physical well being but profound awakening Using exercises from a wide range of mind body practices and spiritual traditions Dr Rankin teaches
