Added Upon A Story:

Added Upon Nephi Anderson, 2013-09-07 Nephi Anderson's Added Upon has been called the most popular and enduring nineteenth century work to emerge from Mormonism's home literature movement of the late 19th and early 20th centuries. Anderson's goal according to the superscript in Added Upon was to assert eternal Providence and justify the ways of God to men though he would one up Milton through the unique Mormon perspective. PREFACE TO THE THIRD EDITION A religion to be worth while must give satisfactory answers to the great questions of life What am I Whence came I What is the object of this life and what is my destiny True we walk by faith and not by sight but yet the eye of faith must have some light by which to see Added Upon is an effort to give in brief an outline of the scheme of things the ways of God to men as taught by the Gospel of Christ and believed in by the Latter day Saints and to justify and praise these ways by a glance along the Great Plan from a point in the distant past to a point in the future not so far away it is to be hoped On subjects where little of a definite character is revealed the story of necessity could not go into great detail It is suggestive only but it is hoped that the mind of the reader illumined by the Spirit of the Lord will be able to fill in all the details that the heart may desire to wander at will in the garden of the Lord and dwell in peace in the mansions of the Father Many have told me that when they read Added Upon it seemed to have been written directly to them My greatest reward is to know that the little story has touched a sympathetic chord in the hearts of the Latter day Saints and that it has brought to some aching hearts a little ray of hope and consolation Nephi Anderson Liverpool November 5 1904 **Added Upon** Nephi Anderson, 2019-09-25 Reproduction of the original Added Upon by Nephi Anderson **Added Upon: A Story** Nephi Anderson, 2005-01-01 **Added Upon** Nephi Anderson, 2007-05-01 **Added Upon** Nephi Anderson, 2019-06-14 Nephi Anderson's classic novel concerns man inhabiting heaven prior to arriving on the Earth and humanity's spiritual destiny A treasured and historic storytelling from a Mormon perspective on life Added Upon offers a spiritual journey which reflects upon the very nature of our reality and existence Conversations between the spiritual forces that underpin the fate and being of humankind preface the loosely connected reflections of several ordinary families living on Earth All of these families in one way or another ponder the great questions of life why are we here What is our purpose Where will we go after we perish Such profound queries form the backbone of this novel and it is through the pursuit of answers that our characters create a unique narration Incidental appearances of forces beyond and the author's predictions of the future of humanity confer a wondrous element to the tale Added Upon Nephi Anderson, 1912 *Memoirs*, 1911 **Form, Function, and Historical Significance of the Rabbinic Story in Yerushalmi Neziqin** Catherine Hezser, 1993 Revised version of the author's thesis Ph D Jewish Theological Seminary of America 1992 **Technical Manual** United States Department of the Army, 1972 *The National Register of Historic Places*, 1972
