Addicted To War Why The Us Cant Kick Militarism:

Addicted to War Joel Andreas,1993 A hard hitting illustrated expose of the world s most powerful and destructive military *Addicted to War* ,2004 *Addicted to War* Joel Andreas,2024-03-26 Addicted to War takes on the most active powerful and destructive military in the world Hard hitting carefully documented and heavily illustrated it reveals why the United States has been involved in more wars in recent years than any other country Read Addicted to War to find out who benefits from these military adventures who pays and who dies Over 120 000 copies of the previous editions are in print This edition is substantially reworked and fully updated including Barack Obama s drone wars Chelsea Manning and WikiLeaks statistics on military spending and the ongoing costs and consequences of the wars in Iraq and Afghanistan [The Paleolithic Paradigm](#) Terry Stocker,2009-12 The Paleolithic Paradigm takes us one step further in the nature nurture debate Certainly a certain percentage of our behaviors are biologically based However culture has the power to override much in genetic commands The Amish exemplify this no matter how much we qualify them as quaint Painting with a wide post modern paint brush Stocker takes on a journey through four cultures to show how different people can be He offers the analogy our genetic structure is the framework of any house How we cover and decorate that frame is often the product of ancient traditions However we are all products of the same cognitive processes thus explaining why we take ideas put into our heads as children to the grave whether we accept them reject them or alter them It is this commonality the author examines Accordingly he wants to know if we understand our cognition processes can we change out behavior at will

From Submarines to Suburbs Cynthia Lee Henthorn,2006 Using documentary evidence in the form of numerous advertisements of the time From Submarines to Suburbs is a fascinating analysis of the way corporations made the successful switch from supporting the war effort to building on the peacetime prosperity by re tooling the patriotic fervor of the home front **Latinos and Latinas at Risk** Gabriel Gutiérrez,2015-01-26 This two volume collection of essays addresses the Latino a experience in present day America covering six major areas of importance education health family children teens and violence The Latino a presence in this country predates the United States itself yet this group is often marginalized in the American culture Many noted experts explore the ideology behind this prejudicial attitude examining how America views Latinos as how Latinos as view themselves and what the future of America will look like as this group progresses toward equitable treatment Through the exploration process the book reveals the complexity and diversity of this community tracing the historical trajectories of those whose diverse points of origin could be from almost anywhere including the Americas Europe or other places Written with contemporary issues at the forefront this timely collection looks at the resolve of the Latino people and considers their histories contributions concerns and accomplishments Pointed essays address disparate quality of life issues in education health and economic stability while depicting individual and group efforts in overcoming barriers to mainstream American society Each chapter discusses key challenge areas for the Latino American

population in everyday life An engaging Further Investigations feature poses questions about most of the essays leading to critical thinking about the most important topics affecting Latino as today *Islamophobia and the West* Imbesat Daudi, 2022-10-21 This book provides an engaging and insightful look into the definitions discourse and experiences of Islamophobia and its steady rise since 9 11 It analyses concepts and binaries that are drawn around discussions on civilization religious dogma violence and race Is there a link between Islam and violence Why does the West feel threatened by it The author critically examines these questions and the birth of hate politics which packages hate in a marketable format and often demonizes victims It also looks at the role of the media in the West in perpetuating stereotypes and its consequences and the nature of war reportage in Islamic countries while deconstructing the narrative of the clash of civilizations Topical and lucid this book is a must read for students and scholars of sociology international relations peace and conflict studies political science Islamic studies and for other readers interested in these topics **Meltdown: Money, Debt and the Wealth of Nations, Volume 4** William Krehm, 1999 **Sitting in the Flames** Dr. John Edwin DeVore, 2014-11-12 As reviewed by New York Times best selling author Ellen Tanner Marsh In clear heartfelt prose DeVore describes a brave and unflinching confrontation with his past made necessary in order for him to have a more meaningful future War he realized isn't just one man's experience it's the sum total experience of an entire country To stop wars he argues we must understand them and why we seem to need them The gut wrenching brutality experienced by American soldiers in Vietnam was for many the beginning of a lifelong personal struggle Unlike many veterans who were unable to cope after returning to civilian life John DeVore moved with facility from success as an Army officer to success in corporate America Nevertheless like many other veterans the war haunted DeVore and finally in a process he narrates in this book compelled him to make a commitment to free himself and our country from the addiction to war Joel Andreas author of *Addicted to War Why the U S Can't Kick Militarism* John DeVore's important book chronicles the remarkable transformation of a professional soldier to a spiritual warrior of peace A must read for those interested in exploring the possibilities of a less violent global future Manfred B Steger professor of politics and government Illinois State University research fellow Globalization Research Center University of Hawai'i at Manoa DeVore offers a simple explanation of the interconnectedness of his Western cultural conditioning globalization the reality of war his civilian and military careers and his search for spiritual roots He certainly is a living example of the fearlessness and desire to help others that can begin to emerge through willingness to work with personal emotional turbulence fear anger pride envy selfishness ignorance etc on a daily basis His story really helps us experience that it is possible to turn bad things to good things Ringu Tulku internationally recognized teacher and author of *Daring Steps Toward Fearlessness Path to Buddhahood* *Lazy Lama Series* *Comment on Gampopa's Jewell Ornament of Liberation* *Mind Training The Boy Who Had a Dream* and *A Perspective on Living and Dying* Ringu Tulku was born in Eastern Tibet in 1952 and was a professor of Tibetan studies for seventeen years He travels extensively teaches

at Naropa University in Boulder Colorado and is director of seven meditation centers in Europe the United States and India His home is Gangtok Sikkim in India and his Bodhicharya website is www.bodhicharya.org

Understanding Peace

Michael Allen Fox, 2013-11-12 Understanding Peace A Comprehensive Introduction fills the need for an original contemporary examination of peace that is challenging informative and empowering This well researched fully documented and highly accessible textbook moves beyond fixation on war to highlight the human capacity for nonviolent cooperation in everyday life and in conflict situations After deconstructing numerous ideas about war and explaining its heavy costs to humans animals and the environment discussion turns to evidence for the existence of peaceful societies Further topics include the role of nonviolence in history the nature of violence and aggression and the theory and practice of nonviolence The book offers two new moral arguments against war and concludes by defining peace carefully from different angles and then describing conditions for creating a culture of peace Understanding Peace brings a fresh philosophical perspective to discussions of peace and also addresses down to earth issues about effecting constructive change in a complex world The particular strength of Understanding Peace lies in its commitment to reflecting on and integrating material from many fields of knowledge This approach will appeal to a diverse audience of students and scholars in peace studies philosophy and the social sciences as well as to general interest readers
