Prof.(Dr.),Mona Sharma

## Position of the Emperor in Mughal Administration

The Mughal Emperors were **all powerful** in administration. The Mughal emperors accepted two primary duties for themselves, *Jahanbani* (protection of the state) and *Jahangiri* (extension of the empire).

Besides, they tried to generate those conditions which were conducive to economic and cultural progress of their subjects.

The emperor was the head of the state.

He was the **law-maker, the chief executive, the commander-in-chief of the army and the final dispenser of**

**Land Revenue Administration Under the Mughals, 1700-1750** Noman Ahmad Siddiqi, 1970      *Land Revenue Administration Under The Mughals (1700-1750) Second Edition* Noman Ahmad Siddiqi, 1989-01-01

Description The Mughal Empire of the great Mughals always evoked stock images of splendour and scores of authors wrote volumes on it But only a dedicated few like Dr Noman Ahmad Siddiqi took enormous pains to analyse and interpret the infrastructure of the Mughal Empire the contemporary land administration and agrarian institutions In this book Dr Siddiqi probes into the conflicting but not mutually exclusive rights and interests involved in the landholdings under the Mughals With Clarity and understanding he analyses the administrative practices of the Mughals Referring to a mass of patiently collated data Dr Siddiqi shows how the Mughal administration sought to lessen or resolve the contradictions inherent in the land revenue system The stability of the Mughal government the oriental extravaganza of power and the magnificence of the successive emperors all Dr Siddiqi holds rested on the success of agrarian administration the base of the many splendoured Mughals This well documented study delineates the decline of the Mughal opulence that came in the wake of a breakdown in the land administration The overwhelming increase in the number of jagirdars who claimed shares in the surplus produce accelerated the pace of disintegration Dr Siddiqi s treatment of the working of the institutions of the zamindari revenue assignments and revenue free grants is characterised by the unyielding objectivity of a trained historian His exposition of the social and economic role of the zamindars and madad maash holders is a valuable contribution to our understanding of the land relationship in the Mughal Empire

**Economic History of India** N. Jayapalan, 2008-04 For a proper understanding of India s economy as we find today with its fast development a study of its past economic conditions is necessary India s economic history spans nearly 5000 years and dates back to Indus Valley Civilisation the two prominent cities of which Mohanjodaro and Harappa were big industrial centres having trade relations with West Asia and other parts of the world Several sources provide us valuable information about the economic condition of the people of India at various stages of history From Vedic literature we get a detailed description of the economic life of the Aryans The Buddhist literature particularly Jatakas and Tripitaka give us a glimpse of the economic condition of India from 650 to 321 B C when every village was a self sufficient unit Kautilya s Arthasastra Magasthenes Indica and Vishakhadatta s Mudrarakshasa give detailed description of the economic systems of the Mauryan period The accounts of Chinese travellers Fa hien and It sing are remarkable evidences of the socio economic life in Gupta period Historians like Manucci tell us about the economic reforms undertaken during Mughal rule in India The British who carved out their empire in India in the 17th century drained India of its wealth destroyed the self sufficient character of villages increased agricultural indebtedness and gave rise to a capitalist class in India with the growth of new urban centres After the achievement of independence in 1947 started the process of nation building through economic planning With the liberalisation of Indian economy in the 1990s the country has been put on a high growth path and is

making fast economic progress The book captures the salient features of India s economic history in chronological order It will fulfil the needs of students and teachers of this subject and prove immensely useful to the aspirants of Civil Services and other competitive examinations **History of India from c. 1206-1707** Mr. Rohit Manglik,2024-03-07 EduGorilla Publication is a trusted name in the education sector committed to empowering learners with high quality study materials and resources Specializing in competitive exams and academic support EduGorilla provides comprehensive and well structured content tailored to meet the needs of students across various streams and levels *Taxation History, Theory, Law and Administration* Parthasarathi Shome,2021-04-09 Tax practitioners are unfamiliar with tax theory Tax economists remain unfamiliar with tax law and tax administration Most textbooks relate mainly to the US UK or European experiences Students in emerging economies remain unfamiliar with their own taxation history This textbook fills those gaps It covers the concept of taxes in regards to their rationale principles design and common errors It addresses distortions in consumer choices and production decisions caused by tax and redressals The main principles of taxation efficiency equity stabilization revenue productivity administrative feasibility international neutrality are presented and discussed The efficiency principle requires the minimisation of distortions in the market caused by tax Equity in taxation is another principle that is maintained through progressivity in the tax structure Similarly other principles have their own ramifications that are also addressed A country s constitutional specification of tax assignment to different levels of government central state municipal are elaborated The UK is more centralised than the US and India India has amended its constitution to introduce a goods and services tax GST covering both central and state governments Drafting of tax law is crucial for clarity and this aspect is addressed Furthermore the author illustrates different types of taxes such as individual income tax corporate income tax wealth tax retail sales value added goods and services tax selective excises property tax minimum taxes such as the minimum alternate tax MAT cash flow tax financial transactions tax fringe benefits tax customs duties and export taxes environment tax and global carbon tax and user charges An emerging concern regarding the inadequacy of international taxation of multinational corporations is covered in some detail Structural aspects of tax administration are given particular attention
