

Administrative Law, The American Public Law System, Cases and Materials (American Casebook Series)

Administrative Law The Amer Public

David H. Rosenbloom

Administrative Law The Amer Public:

Administrative Law, the American Public Law System Jerry L. Mashaw, Richard A. Merrill, Peter M. Shane, 1998

The Constitutional School of American Public Administration Stephanie Newbold, David H. Rosenbloom, 2016-10-26

The growing constitutional school of public administration has roots in the Federalist Papers constitutional law and the writings of several contemporary leaders and contributors in the field. It is comprised of a loose grouping of scholars who subscribe to the proposition that constitutions and the constitutional characteristics of a regime are key determinants of public administrative culture, institutions, organizations, personnel, practices, budgetary and decision making processes, commitment to the rule of law and human rights, and myriad aspects of overall behavior. Participants in constitutional school research believe that the big questions in public administration cannot be answered without reference to constitutional designs, institutions, and regime values. This edited volume brings together the most prominent names in constitutional school scholarship in an aim to make it more visible, accessible, and central to the field of public administration's pedagogy, scholarship, and intellectual development. It will be essential reading for scholars and students of public administration with an interest in constitutional administrative law and political theory around the globe.

Administrative Law, the American Public Law System Jerry L. Mashaw, Richard A. Merrill, Peter M. Shane, M. Elizabeth Magill, Mariano-Florentino Cuéllar, Nicholas R. Parrillo, 2014

Administrative Law for Public Managers David H. Rosenbloom, 2022-08-23

This book focuses on the essentials that public administration students and public managers should know about administrative law: why we have administrative law, the constitutional structure for and constraints on public administration, and administrative law's formats for rulemaking, adjudication, enforcement, transparency, and judicial and legislative review of administrative activity. Author David Rosenbloom views administrative law from the perspectives of administrative practice rather than lawyering, with an emphasis on how various administrative law provisions promote their underlying goals of improving the fit between public administration and US democratic constitutionalism. Organized around federal administrative law while including material on state practices where appropriate, the book explains the essentials of administrative law clearly and accurately in non-technical terms and in sufficient depth to provide readers with a sophisticated, lasting understanding of the subject matter. This thoroughly revised third edition includes separate chapters on the constitutional frameworks for administrative authority and individual constitutional rights in the contemporary administrative state, inclusion of newer court decisions and examples throughout the text, treatment of Donald J. Trump's presidency and President Joseph R. Biden Jr.'s first year in office, greater attention to guidance documents, administrative dark matter, and the Congressional Review Act. Thorough updating and refreshing of the text, suggested additional readings, and chapter discussion questions. Written in a reader-friendly style.

Administrative Law for Public Managers 3rd Edition is an ideal introduction to the subject for students in public administration, public policy, American government law, and practicing public managers alike.

Public Administration and

Law Julia Beckett, Heidi O. Koenig, 2015-02-12 Public Administration and Law has been edited for use as a supplement for an undergraduate or MPA level course on administrative law The selections all from the pages of Public Administration Review have been chosen to enlighten and enliven the contents of any standard administrative law textbook Each of the book's main sections begins with introductory text and discussion questions by the volume editors Julia Beckett and Heidi Koenig followed by relevant readings from PAR The book's contents follow the standard pattern established by the field's major textbooks to facilitate the instructor's ability to assign readings that illuminate lectures and text material The book concludes with two invaluable resources a bibliography of 65 years of PAR articles concerning public law plus a bibliography of law related articles appearing in other journals published by ASPA

Administrative Law, the American Public Law System, Cases and Materials Jerry Mashaw, Richard Merrill, Peter Shane, Nicholas Parrillo, Margaret Kwoka, Aditya Bamzai, Emily Bremer, 2024-12-24

The Ninth Edition of this course book preserves the essential organization familiar to its many users affording a clear treatment of classic doctrine along with new material on cutting edge issues such as the resurgence of support for the nondelegation doctrine rising assertions of presidential power over agencies and the rollback of judicial deference to administrative statutory interpretation Following an introduction to the history institutional context and theory of administrative law students are exposed to four main topics the political control of administration by Congress and the executive branch agency processes for adjudication and rulemaking government access to and required disclosure of information and judicial remedies for official illegality Doctrinal analysis is enriched by case studies of the law in action in particular contexts

Public Administration and Law, Third Edition David H. Rosenbloom, Rosemary O'Leary, Joshua Chanin, 1996-09-12 A Practical Handbook for Public Administrators Despite the sizeable literature on administrative law and the courts few books adequately demonstrate how judicial decisions have transformed American public administration thought and practice Public Administration and Law is the first book of its kind to comprehensively examine the impact of judicial decisions on the enterprise of public administration A practical guide for practitioners this book goes beyond a theoretical framework and provides concrete advice for real world situations Rather than abstractly and generally discuss doctrines such as procedural and substantive due process the book analyzes their application to specific contexts in which administrators engage individuals Written in a non technical fashion the volume discusses contemporary federal administrative law and judicial review of agency action or inaction It clearly explains the general framework that controls agency rule making adjudication release of information and related issues In addition a section is included on the burgeoning and litigious field of environmental law and advice is presented as to what public administrators need to know about environmental regulations and what can happen to those who fail to head them Now in its second edition this handbook is a must for public administrators who want to successfully avoid judicial scrutiny and challenge of their official actions

Administrative Law in the Political Sys Kenneth F Warren, 2018-04-17 Emphasizing that administrative law must be

understood within the context of the political system this core text combines a descriptive systems approach with a social science focus Author Kenneth F Warren explains the role of administrative law in shaping guiding and restricting the actions of administrative agencies Providing comprehensive coverage he examines the field not only from state and federal angles but also from the varying perspectives of legislators administrators and the public Substantially revised the fifth edition features approximately one hundred new and current cases that place administrative law in the context of the Obama administration Each chapter concludes with an edited exemplary case that highlights major themes and helps students understand important points made in the chapter Using straightforward prose and avoiding unnecessary legal jargon Administrative Law in the Political System fifth edition provides students with an informed and accessible overview of a difficult subject matter

Handbook of Public Administration W. Bartley Hildreth, Gerald J. Miller, Jack Rabin, 2018-01-19 Since the publication of the previous edition the best selling Handbook of Public Administration enters its third edition with substantially revised updated and expanded coverage of public administration history theory and practice Edited by preeminent authorities in the field this work is unparalleled in its thorough coverage and comprehensive references This handbook examines the major areas in public administration including public budgeting and financial management human resource management decision making public law and regulation and political economy Providing a strong platform for further research and advancement in the field this book is a necessity for anyone involved in public administration policy and management This edition includes entirely new chapters on information technology and conduct of inquiry In each area of public administration there are two bibliographic treatises written from different perspectives The first examines the developments in the field The second analyzes theories concepts or ideas in the field's literature

Administrative Law from the Inside Out Nicholas R. Parrillo, 2017-03-23 This collection of essays interrogate and extend the work of Jerry L Mashaw the most boundary pushing scholar in the field of administrative law
