Comparative and Development Public Administration Ali Farazmand, 2019-02-21 With contributions from nearly 80 international experts this comprehensive resource covers diverse issues aspects and features of public administration and policy around the world It focuses on bureaucracy and bureaucratic politics in developing and industrialized countries and emphasizing administrative performance and policy implementation as well as political system maintenance and regime enhancement The book covers the history of public administration and bureaucracy in Persia Greece Rome and Byzantium and among the Aztecs Incas and Mayas public administration in small island states Eastern Europe and ethics and other contemporary issues in public administration *Sustainable Development Policy and Administration* Gedeon M.

Mudacumura, Desta Mebratu, M. Shamsul Haque, 2017-09-25 Sustainable Development Policy and Administration provides a learning resource describing the major issues that are critical to understanding the multiple dimensions of sustainable development The overall theme of each contributed chapter in this book is the urgent need to promote global sustainability while adding insights into the challenges facing the current and future generations This volume brings together diverse contributions that cover the multiple facets of development resulting in a rich reference for students development managers and others interested in this emerging field **Community Development and Public Administration Theory** Ashley E.

Nickels, Jason D. Rivera, 2018-04-17 The concept of community development is often misunderstood holding different meanings across different academic disciplines Moreover the concept of community development has been historically abstracted not only in the way the concept has been conceptualized in academic studies but also by the way in which practitioners use the term in the vernacular Departing from traditional definitions of community development this volume applies the New Public Service NPS perspective of Public Administration to community development to illustrate how public administrators and public managers can engage in community development planning and implementation that results in more equitable and sustainable long term outcomes This book will be of interest to practitioners and researchers in public administration management public administration theory community development economic development urban sociology urban politics and urban planning Handbook of African Economic Development Pádraig Carmody, James T.

Murphy, 2024-05-02 The Handbook of African Economic Development explores the diverse nature of economic advancement in Africa spanning from pre colonial times to the present day Expansive in scope it offers both orthodox and heterodox perspectives on the subject and what it means for the continent Development Administration O. Dwivedi, 1994-05-26 This book examines administrative changes and reforms carried out in the developing nations it looks at the role of the state various administrative reforms carried out at the behest of the West but never fully materialized and events leading to policy failures and administrative mishaps It is a story of failed developmental goals told through the looking glass of administration and it is about directing managing and controlling the means used in and by Third World countries to achieve development In addition to a history of development administration this volume includes an analysis of bureaucratic corruption and

accountability the issue of capability building in science and technology transfer the new challenge of the 1990s how to achieve environmentally sustainable development in the face of resource constraints and ever growing public demands and expectations and a strategy for sustainable development administration as the Third World prepares for the 21st century

History of Development Thought R. Srivatsan, 2024-11-01 Development thought emerged as the governing principle of First World global hegemony in the new world order marked by the end of the Second World War and decolonization Six decades later at yet another critical geopolitical conjuncture marked by globalization and neoliberal resurgence History of Development Thought revisits the major strands in the development debate from the 1950s to the early twenty first century The volume places classic international interventions in critical development thinking alongside major contributions to the discourse from the Indian context Beginning by juxtaposing W A Lewis's classic liberal theory of the dual economy with P C Mahalanobis's schema for planned development in India the volume tracks the trajectory of the development debate from the Latin American neo Marxist paradigm through the mode of production debates in India to Indian and international feminist perspectives on development It explores the departures of the 1980s in India and elsewhere as theorists including Pranab Bardhan Sukhamoy Chakravarty Partha Chatterjee A O Hirschman Samuel Huntington and Amartya Sen sought to address from various perspectives the reasons for the failure of development to live up to expectations It ends with excerpts signposting the emerging strands of the development and post development debate at the turn of the twenty first century Throughout the volume remains committed to the paradigm of development as a horizon of critical thought and a field of democratic politics while paying attention to the multiple storylines of the discourse over the last 60 years This anthology together with its critical introduction and rigorous prefatory remarks for each extract will be invaluable to students and researchers in the social sciences and the humanities especially those in development studies history politics and economics as well as to activists administrators and professionals in health education and development
