Adrift On The Nile:

Adrift on the Nile Naguib Mahfouz, 2016-06-15 First published in 1966 Naguib Mahfouz's *Adrift on the Nile* is an atmospheric novel that dramatizes the rootlessness of Egypt's cosmopolitan middle class Anis Zaki is a bored and drug addicted civil servant who is barely holding on to his job Every evening he hosts a gathering on a houseboat on the Nile where he and a motley group of cynical and aimless friends share a water pipe full of kif a mixture of tobacco and marijuana When a young female journalist an alarmingly serious person joins them and begins secretly documenting their activities the group's harmony starts disintegrating culminating in a midnight joyride that ends in tragedy *Adrift on the Nile* Najib Mahfuz, Naguib Mahfouz, 1994 Nile is a tale that exposes the crisis of man and artist in modern times **Adrift on the Nile** 2018, ٢٠١٨ ٢٠١٨ Adrift on the Nile Michael Lukas, 2002 **Arab Cinema** Viola Shafik, 2007 Intended for scholars of film and the contemporary Middle East this title provides a comprehensive overview of cinema in the Arab world tracing the industry's development since colonial times It analyzes the ambiguous relationship with commercial western cinema and the effect of Egyptian market dominance in the region The Aesthetic of Revolution in the Film and Literature of Naguib Mahfouz (1952-1967) Nathaniel Greenberg, 2014-07-02 In the wake of the 1952 Revolution Egypt's future Nobel laureate in literature devoted himself exclusively to writing for film The Aesthetic of Revolution in the Film and Literature of Naguib Mahfouz is the first full length study in English to examine this critical period in the author's career and to contextualize it within the scope of post revolutionary Egyptian politics and culture Before returning to literature in 1959 with his post revolutionary masterpiece *Children of the Alley* Mahfouz wrote or co wrote some twenty odd scripts many of them among the most successful in Egyptian history He did so at a time when film was the country's second largest export commodity after cotton and the domestic film industry in Egypt the fourth largest in the world Artistically his screenplays channeled the ideology of the revolution often raising themes of oppression and liberation and almost always within a storyline of criminal transgression But as he discussed in later articles and interviews the capacity for film to enumerate the flow of life through montage jump cuts lighting and close ups helped him to develop a darker faster and more complex vision of society This technological revolution was followed by a literary one in the 1960s a time when Mahfouz would generate through a series of short trenchant and often comedic novellas a deeply measured meditation on the experience of collective upheaval and the interpersonal impact of political transformation *Egypt's Lost Spring* Sherif Khalifa, 2015-07-20 An Egyptian diplomat turned scholar provides a detailed analysis of events from the fall of Mubarak through the aftermath of the 2013 military move to oust Egypt's first democratically elected president The Arab Spring caught the world by surprise and was truly inspiring Then many watched with bewilderment as the process unfolded in unforeseen directions This lively and well documented book tells the story of events in Egypt from the end of the Mubarak era in 2010 through the revolution in 2011 and the military interference in the summer of 2013 Written from an insider's perspective it discusses what occurred and

analyzes the motives of the parties involved putting each incident in context so the reader can see and understand the big picture The author s background as an Egyptian diplomat provides insights that fuel a nuanced and richly detailed study Among other topics the book sheds light on the Egyptian military and economy the life and written opinions of the military leader Al Sisi and ties between the United States and the Egyptian armed forces It reveals evidence of a conspiracy against the first elected civilian administration in Egypt details the conflict between the Islamists and the deep state and examines the rise and fall of political Islam A final chapter speculates about possible scenarios for the future of Egypt *The Playground* ,1912 *Recreation* ,1912 *Moses* Ron Baker,2025-06-30 Moses s credibility as the author of the first five books of God s relationship with mankind stems from his unflinching candid veracity detailing his and the nation of Israel s truthfully difficult relationship with God That said I sometimes see a little different than the run of the mill narrative and that causes me to want to write I humbly believe we read these beautiful heart throbbing stories with no emotion We somehow leave out the anxiety the fear the laughter the joy the blood or falling on our knees reaction moments when they are delivered or healed by God As you read this book it is my sincere hope that the Biblical and historical character Moses will become alive to you and you may be encouraged to pursue the same kind of lively relationship with God as Moses did
