Adult Children Of Divorce Speak Out:

A Hole in My Heart Claire Berman,1992 *Adult Children of Divorce Speak Out* Claire Berman,1991 **Adult Children of Divorce Speak Out about Growing Up with** Claire Berman,1991 *Adult Children of Divorce Speak Out* Claire Berman,1991 **Speaking Out** Jody Comins,2019-07-14 Speaking Out Voices of Adult Children of Divorce literally takes the voices of men and women who have parents that divorced in their childhood or while young adults Through their stories and her personal experience as an adult child of divorce Jody Comins weaves their expressions together to send a message to divorcing couples of today This book is ideal for anyone contemplating a divorce going through a divorce and even post divorce to understand how their behavior directly impacts the outcome for their children Jody Comins suggests nurturing your divorce and gives practical tips in each chapter Primal Loss Leila Miller,2017-05-20 Seventy now adult children of divorce give their candid and often heart wrenching answers to eight questions arranged in eight chapters by question including What were the main effects of your parents divorce on your life What do you say to those who claim that children are resilient and children are happy when their parents are happy What would you like to tell your parents then and now What do you want adults in our culture to know about divorce What role has your faith played in your healing Their simple and poignant responses are difficult to read and yet not without hope Most of the contributors women and men young and old single and married have never spoken of the pain and consequences of their parents divorce until now They have often never been asked and they believe that no one really wants to know Despite vastly different circumstances and details the similarities in their testimonies are striking as the reader will discover the death of a child s family impacts the human heart in universal ways **The Parenting Deficit** Amitai Etzioni,1993 Between Love and Hate Lois Gold,2013-11-11 *Wisdom for Separated Parents* Judy Osborne,2011-04-19 The stories within this book document how men and women both straight and gay have rearranged their lives to create harmonious kinship relationships and be successful parents after separation thereby proving that divorce does not have to mean unhappily ever after Anchored in the author s personal experience *Wisdom for Separated Parents Rearranging Around the Children to Keep Kinship Strong* traces the long arc of family change through the actual words of men and women who have struggled through separation and co parenting This book provides stories from separated parents that share what they ve learned from co parenting and discovering new kinds of families revealing insights on the process of untangling rearranging and reinventing straight and gay families The extensive interviews in this book reach back as far as the 1950s and explain what it has meant to be separated for decades These candid stories provide revelations on how to deal with the loss gracefully and minimize ill will and recount the joys of having a bigger family and more kin connections This book speaks to two different audiences today s struggling parents who will find valuable wisdom as they make crucial decisions about separation and divorce and readers who have lived this history and will identify with the stories and gain insight and validation regarding their long ago choices **A Handbook of**

Divorce and Custody Linda Gunsberg, Paul Hymowitz, 2013-04-15 The Handbook of Divorce and Custody brings together mental health professionals and forensic specialists dedicated to working in the legal arena with families in crisis Section I provides the individual perspectives of experienced clinicians all of whom share a psychodynamic and developmental purview and supplements their accounts with the viewpoints of a lawyer and a judge Section II examines parental psychopathology which is often at the root of family conflict and turmoil Section III deals with the nature and extent of the state's potential involvement with the family from ensuring parents' rights to raise their children to identifying those circumstances that justify the termination of parental rights The remaining three sections follow the progressive issues engaged by divorcing families as they work their way through the legal system forensic evaluation post divorce legal arrangements and the emotional aftermath of divorce including indications for various types of therapeutic intervention Through the Handbook contributors pay special attention to a set of core issues that underlie and complicate the evaluations recommendations and judicial determinations that enter into the divorce custody process Specifically they focus on the inherent conflict between the family's right to privacy and the state's commitment to the best interest of children the increasingly uncertain question of what constitutes a family and who has the right to legal standing the problematic role of fathers in the lives of their children the nature of the evaluation process and the role of the forensic expert in a good enough evaluation the important differences between the role of therapist and the role of evaluator and finally the impact of divorce itself on the lives of today's children
