British-Indian Adult Children of Divorce Dr Chaitali Das, 2013-01-28 Divorce has become a form of family change in contemporary western societies spawning much research to investigate its causes and consequences Such research has promoted a sociological understanding of divorce impact on families and individuals as well as implications for public policy However research in this domain has been largely restricted to white populations in western contexts as well as adhering to quantitative research methodologies There is little understanding of the dynamics of minority ethnic families sometimes resulting in false assumptions and over generalizations about family structures stability and transitions in these

communities The impact of this gap in knowledge leads to perspective blocks in terms of how minority ethnic families are conceived in the public sphere as well as in academia Similar to other minority ethnic groups there is little literature on divorce in South Asian families Though traditionally divorce rates within South Asian communities were low there is now an upward trend This is the first book to analyze the experiences of British Indian adult children of divorce and contextualize their experiences within the larger multi cultural polity of the UK It also discusses the value and implications of understanding the divorce phenomenon and how it is experienced within this community to present insights into what multi cultural social work and knowledge can mean This can also enhance support provision for all children and enable better coping of family transitions by acknowledging their specific contexts and needs *"Dear Children", a Manual for Adult Children of Divorce* William Hinckley, 2012-07-10 This book is for Adult Children of Divorce or anyone who may be in a relationship with someone who has experienced divorce Dear Children will help you understand the roots of the dysfunctions developed as a child of divorce and offer a proven means for overcoming them This journey will enable you to break through the developmental issues that can often bind you in your daily life influencing everything from minor choices to major life changing decisions This investment of time will help you discover who you really are where you really came from and the power that this source offers you on a daily basis You will come to understand the strength of your essence and discover the knowledge and skills to honestly and continuously reflect on your personal situations or those of a loved one in order to embrace a truly uplifting and empowered life Through honest introspection greater knowledge and embracing daily habits you will be able to live a fulfilling uplifting and joy filled life We will explore the dysfunctions associated with divorce including separation people pleasing abandonment guilt and fear of conflict We will examine some of the personifications and manifestations that adult children of divorce may use to mask their pain in order that you may better understand if this is occurring in your own life or the life of someone you love More importantly we will discuss how you can overcome such dysfunctions and manifestations and what you can do to prevent these destructive habits from continuing We will further explore how daily habits can empower you towards success and fulfillment You will come to understand how to embrace joy how to make good decisions and how to ensure that the cycle of divorce and its ill effects may be halted You will learn how to be happy and empowered every day **Adult Children of Divorced Parents** Beverly Rodgers, Tom Rodgers, 2002

Home Will Never Be the Same Again Carol R. Hughes, Bruce R. Fredenburg, 2020-06-22 Adult children are often overlooked and forgotten when their parents divorce later in life but in these pages they will find comfort and understanding for the many feelings frustrations and challenges they face For more than two decades a silent revolution has been occurring and creating a seismic shift in the American family and families in other countries It has been unfolding without much comment and its effects are being felt across three to four generations more couples are divorcing later in life Called the gray divorce revolution the cultural phenomenon describes couples who divorce after the age of 50 Overlooked in the issues

that affect couples divorcing later in life are the adult children of divorcing parents Their voices open this book and they are the voices of men and women 18 to 50 years old Some of them are single some are married Some have children of their own All of them are in different stages of shock fear and sudden dramatic change In *Home Will Never Be the Same A Guide for Adult Children of Gray Divorce* Carol Hughes and Bruce Fredenburg share their deep understanding gained during the innumerable hours they have spent with these women and men in their clinical practices The result is a valuable resource for these too often forgotten adult children many of whom find that whenever they express their feelings and experiences the most important people in their lives frequently ignore and dismiss them As the divorce rate for older adults soars so too does the number of adult children who are experiencing parental divorce Yet these adult children frequently say that they are the only ones who are aware of what they are going through no one understands what they are experiencing and they feel painfully alone
