The English Short Story in Canada Reingard M. Nischik, 2017-04-20 In 2013 the Nobel Prize for Literature was for the first time awarded to a short story writer and to a Canadian Alice Munro The award focused international attention on a genre that had long been thriving in Canada particularly since the 1960s This book traces the development and highlights of the English language Canadian short story from the late 19th century up to the present The history as well as the theoretical approaches to the genre are covered with in depth examination of exemplary stories by prominent writers such as Margaret Atwood and Alice Munro

The Canadian Short Story Reingard M. Nischik, 2007 Beginning in the 1890s reaching its first full realization by modernist writers in the 1920s and brought to its heyday during the Canadian Renaissance starting in the 1960s the short story has become Canada's flagship genre It continues to attract the country's most accomplished and innovative writers today among them Margaret Atwood Mavis Gallant Alice Munro Carol Shields and many others Yet in contrast to the stature and popularity of the genre and the writers who partake in it surprisingly little literary criticism and theory has been devoted to the Canadian short story This collection redresses that imbalance by providing the first collection of critical interpretations of a range of thirty well known and often anthologized Canadian short stories from the genre's beginnings through the twentieth century A historical survey of the genre introduces the volume and a timeline comparing the genre's development in Canada the US and Great Britain via representative examples completes it The collection is

geared both to specialists in and to students of Canadian literature For the latter it is of particular benefit that the volume provides not only a collection of interpretations but a comprehensive introduction to the history of the Canadian short story Reingard M Nischik is professor and chair of American Literature at the University of Constance Germany [Novel & Short Story Writer's Market 2019](#) Robert Lee Brewer,2018-09-14 THE BEST RESOURCE FOR GETTING YOUR FICTION PUBLISHED Novel Short Story Writer s Market 2019 is the only resource you need to get your short stories novellas and novels published The 38th edition of NSSWM features hundreds of updated listings for book publishers literary agents fiction publications contests and more Each listing includes contact information submission guidelines and other essential tips Novel Short Story Writer s Market also offers valuable advice to elevate your fiction Break down the anatomy of a great short story Learn how to create an antagonistic setting and incorporate conflict into your fiction Discover the important elements of complexity and how to use those elements to develop your story Gain insight from best selling and award winning authors including George Saunders Kristin Hannah Roxane Gay and more [Novel & Short Story Writer's Market 2016](#) Rachel Randall,2015-08-11 THE BEST RESOURCE FOR GETTING YOUR FICTION PUBLISHED Novel Short Story Writer s Market 2016 is the only resource you need to get your short stories novellas and novels published As with past editions Novel Short Story Writer s Market offers hundreds of listings for book publishers literary agents fiction publications contests and more Each listing includes contact information submission guidelines and other essential tips This edition includes articles and interviews on all aspects of the writing life Learn how to unlock character motivations to drive your story forward Imbue your fiction with a distinct memorable voice Revise and polish your novels and short stories for successful submission Gain insight from best selling authors Chris Bohjalian John Sandford Lisa Scottoline and more You ll also gain access to a one year subscription to WritersMarket com s searchable online database of fiction publishers as well as a free digital download of Writer s Yearbook featuring the 100 Best Markets WritersDigest com WritersDigest Yearbook 15 Includes exclusive access to the webinar The Three Missing Pieces of Stunning Story Structure by writing instructor and best selling author K M Weiland Please note The e book version of this title does not include a one year subscription to WritersMarket com After you ve written 50 000 words there seem to be 50 000 different things you need to know to publish your novel Novel and Short Story Writer s Market helps clarify options so you can find the best publishing home for your work Grant Faulkner executive director of National Novel Writing Month I ve published more than 200 short stories and Novel Short Story Writer s Market has been an essential tool in my success It s a literary bible for anyone seriously interested in marketing fiction Jacob M Appel winner of the Dundee International Book Award and the Hudson Prize **2014 Novel & Short Story Writer's Market** Rachel Randall,2013-08-14 The best resource for getting your fiction published The 2014 Novel Short Story Writer s Market is the only resource you ll need to get your short stories novellas and novels published As with past editions Novel Short Story Writer s Market offers hundreds of listings for book publishers literary agents fiction publications contests and
