Affordable Horse A Guide To Low Cost Ownership:

The Affordable Horse Sharon B. Smith,1994-05-15 To many people the horse is a symbol of what's right with the world. Let *The Affordable Horse* persuade you that your dream or your child's dream of owning and keeping a horse or pony is not beyond your means. Learn about sources of give-away horses, how homemade feeds can be as good as or better than high-priced commercial products, how to find free or reduced-cost board, and that compromises in quality will result if you get too pennywise about shoeing, insurance, and health care. In short, the book explains everything you'll need to know to minimize the cost of each step of horse ownership while maintaining your horse's quality of life and your peace of mind.
