Leimon, Gladeana McMahon, 2011-01-19 Why do some people achieve greater success and happiness than others? The key is positive psychology. Demonstrates how to understand what makes you tick, how to hone positive emotions, and how to use positive philosophy for success in both your personal and working lives. Is perfect for a wide audience, from those wanting to get more out of their life to psychology students or counsellors. About the author: Gladeana McMahon is co-author of *Performance Coaching For Dummies*. She is regarded as one of the UK's top ten coaches. Averil Leimon is co-author of *Performance Coaching For Dummies*. She is a business psychologist and a leading UK leadership coach.
